Welcome to Never Neverland!

There is something truly magical about the story of Peter Pan that has always captured my heart. I love how it invites us to celebrate childhood, embrace imagination, and escape-if only for a little while-into a world where mermaid lagoons shimmer, lost boys and Indians playfully battle, and the villain's greatest fear is the tick-tock of a clock.

And let's be honest, that tick-tock feels all too real sometimes. As we watch our dancers grow up right before our eyes-and maybe feel ourselves growing up a little more too. The idea of never growing up becomes more than just a fairytale...it's a feeling we want to hold onto.

This weekend, we invite you to do just that. Let your happy thoughts help you fly, believe in fairies (because that's what makes them real!!), and dance like time doesn't exist.

We are so excited to share this magical, joy-filled adventure with you.

Because here in Neverland...we will NEVER, NEVER grow up!

Many Blessings,

*Ms. Jennissa*

Jennissa Voorhees Gertge  
The Studio Director

# THANK YOU!!

---

🌟🌟🌟 Thank you, Jen Bailey, for believing in us, for sharing your time, your talent, and God given your purpose with our BLUE family all these years! Like Wendy sharing stories in the nursery, you've shared your light and helped us all believe we could fly.

🌟💙 Thank you to the BLUE DREAM TEAM—our very own Lost Boy and Girls—who show our dancers that life isn't just about perfect steps, but about the adventure of growth, perseverance, and having fun along the way. Thank you for sprinkling your pixie dust on each dancer's journey, teaching them to soar both on and off the stage.

🌈🌟 To the BLUE TRIBE, who lift us up with such beautiful support: Katrina, Nancy and Lacey for always being willing to go to Neverland with me make the wildest of dreams more magical, Cheryl, for managing the mayhem of costumes and helping to keep the magic organized; and all our incredible Blue team moms, who keep our dancers fed on Thursdays, cut out shadows, move marley flooring, and embrace the unexpected chaos that comes from loving a dancer with a director as ambitious as Peter Pan. Thanks for being willing to jump out of that window with me to have some great adventures together!

🌟 SRO families, thank you for keeping us healthy, sparkling, and ready to fly. We appreciate you! Have

🌟 YOU—our amazing moms, dads, and grands—for getting your dancer here on time, with buns and makeup (and sometimes a sprinkle of fairy dust). We see you and appreciate every bit of your effort and love!

🌟💙 To our dancers, who have “hooked” my heart for 18 years: YOU are the stars this weekend! You are the ones who dared to believe you could fly—who trusted in your growth, who refused to give up when the journey got tough. Your time on stage will be worth every bit of the struggle. YOU are worth the investment, because you are truly magic.

🌟💙 To my family—Eric, Wyatt, and the Grands—thank you for putting up with glitter everywhere, sleepless nights, and missing me for bath and bedtime while I chased dreams with the hundreds of “siblings” who share my heart.

🌟💙 And to my God, who has been as faithful and close as a star that guides us home—thank You for the courage to lead these heroes for the past 18 years. May You be glorified in all we do. YOU are the true Neverland, beautiful beyond words.

**Alli**

Hello, my name is Miss Allie. I fell in love with dance when I was about 12 years old and took my first hip hop class. I started dancing when I was seven but after that class it was game on. Being a dance teacher is amazing because I love when a student says they can't do something and I gently correct with adding a, "you can't do that....yet." I love watching them practice and how proud they are when they get the move they've been working on. It's such a good feeling and it fills me up with happiness. Dancing helps clear my head and I feel free!

**Alyssa**

Miss. Alyssa has been teaching at The Studio for 4 years. Miss. Alyssa is from Southern California, where she fell in love with dance at the age of three. She loves all styles of dance, but has a special love for tap! Miss. Alyssa loves her students and is inspired by their passion and eagerness to learn. She loves watching her students break through barriers and grow as dancers and as humans.

**Brielle**

My name is Brielle Creamer and I just started teaching at The Studio this past season! I started dancing at the age of 3 and quite frankly never stopped! I fell in love with dance and trained throughout my adolescent years at Michelle Latimer Dance Academy. I absolutely love teaching the art of dance and the highlight of my week is spent in the studio with your amazing dancers! My favorite part of teaching is watching young dancers fall in love with the same sport I love so much!

**Brooke**

Brooke Janney is a ballet dancer and ballet teacher here at The Studio. She was born in Corpus Christi, Texas into a military family of 6. She began her ballet training at the age of 3 and by the time she was 17 she was a professional ballerina. She trained at Littleton Ballet Academy and Colorado Ballet Academy Pre Pro spending her summers at School of American Ballet and Miami City Ballet School. She spent one season as a trainee at Colorado Ballet before being promoted to their second company where she danced for two seasons. She performed in nine productions with the company, her favorites being Swan Lake, George Balanchine's Rubies, and The Nutcracker. Next season Brooke will be joining Oregon Ballet Theatre to continue her ballet career.

**Carrie**

Hi, my name is Ms. Carrie and I have been teaching at The Studio for 7 years. I started competitively dancing in 5th grade and have been in love with it ever since which lead me to get my BFA in dance and also dance professionally after college. I have taught for 13 years and love mentoring dancers. I use dance to not only teach great technique but to build character as well. I absolutely love seeing my dancers achieve goals not only in dance and but in life as well.

**Emily**

Emily Hawk born and raised in Colorado has been with the studio for 17 years. Started dancing in middle school when Jenissa took over The Studio. After high school Emily went to Philadelphia to The University of the Arts on scholarship. While in Philadelphia she joined a modern dance company and toured with them for a season and then moved on back to Colorado where she taught and started her Fitness career as a coach and a Pure Barre instructor. Emily is married to her best friend, Ben, and they have an amazing baby girl named Oaklyn. Emily has started her own business as a Floral Designer for Weddings and special events. If she's not teaching dance or doing a wedding, she and Ben are out somewhere for a bike ride or if there's snow, shredding the gnar! Emily absolutely LOVES teaching your kids and watching the talent and passion develop over the years!

**Jen**

Ms. Jen has been teaching at The Studio for 14 years and her experience as both an athlete and coach spans over 30. Her favorite thing about teaching is watching her students push through their fear of trying new things and celebrating with them as they grow not only in ability but also confidence.

**Jennissa**

When I was three years old, my parents gave me the gift of ballet classes for my birthday, but little did they know it was a gift that would shape the rest of my life. I was not the most disciplined child, and dance training provided the focus and self-control needed to pursue my dreams of dancing professionally. When I took over as The Studio Director in 2008, I knew I wanted to give the community of Northern Colorado the same opportunity I had to receive excellent technical training. Over the years, I have developed a passion for developing leaders with solid work ethic, determination, and high standards of morals and character.

**Marissa**

Marissa has been with The Studio for 2 years. She grew up in California, where she dance competitively for 13 years. She loves teaching and has been for 7 years. She loves spending with her husband and their two dogs, and just hanging out at home. Marissa loves to go to Disneyland and anything Disney.

**Matt**

Matt Bishop, started dancing at the age of 9 with Rhythm & Shoes dance studio in Northwest Arkansas. There he danced for 8 years before graduating high school, after which he moved to Fort Collins to pursue a Bachelor of Arts in Dance at Colorado State University. During his time at CSU, he explored modern, ballet, tap, jazz, hip-hop, and street dance styles. He also explored practical approaches to teaching, and eventually found his way to The Studio. His favorite thing about teaching is finding new ways to have fun while dancing.

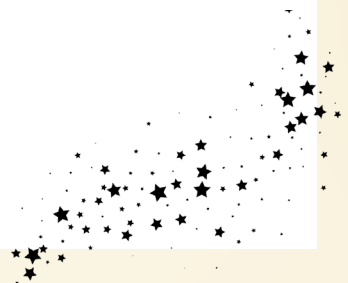

**Meri**

Meri Barber started dancing when she was almost 3 years old and was described even before that as “dancing wherever she goes.” She is currently a Junior at University of Northern Colorado studying Piano Performance. She fell in love with choreography as she learned more about music and discovered the transformation from sound into movement. She loves teaching at The Studio because of the eager and joyful attitude of her students and the loving community there.

**Rachel**

Rachel I started dance when I was 5 years old at Colorado School of Dance in Parker. Dance has always been my biggest passion but I truly fell in love when I took the transition to High-school Dance Team and now I am blessed to continue my love for dance at CSU where I am on the Golden Poms Dance Team. I love my kids at The Studio because of their dedication and ability to learn so many new things.
